Subject Index

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH) used in *Index Medicus*. Some additional headings are used for greater specificity in the psychiatric field.

Abortion

Psychiatrists and access to abortion (law & psychiatry), Oct 967-968

Academic medical centers. See State-university collaboration

Accreditation, standards

Addiction psychiatry: challenges for a new psychiatric subspecialty (alcohol & drug abuse), Nov 1067-1068, 1072

APA board approves new guidelines for hospital admissions, Nov 1156

Considerations in determining staff-patient ratios (taking issue), Apr 309

New JCAHO smoking ban in hospitals is hit by strong opposition from psychiatric groups, Mar 293

Practice guidelines in psychiatry and their implications for malpractice (law & psychiatry), Apr 341-342

Proposed standards in emergency psychiatry (emergency psychiatry), Jan 14-15

Recent court ruling in Alabama's Wyatt case modifies 20-year-old patient care standards, Aug 851-852

Achievement Awards

Gold Award: A social day center for adults recovering from serious mental illness—Step Up on Second Street, Santa Monica, California, Nov 1130-1133

Gold Award: Advocacy, research, and service to prevent violence and treat victims—Victims' Services Program, Community Mental Health Council, Inc, Chicago, Nov 1134-1136

The 1992 H&CP Achievement Award winners, Nov 1131

Significant Achievement Award: Comprehensive mental health services for a semi-rural county—Center for Mental Health at Newton Memorial Hospital, Newton, New Jersey, Nov 1138-1139

Significant Achievement Award: A leader in Canada's response to the AIDS crisis—Clinic for HIV-Related Concerns, department of psychiatry, Mount Sinai Hospital, Toronto, Ontario, Nov 1140-1141

Significant Achievement Award: Promoting community-based care for children and adolescents—Community Partnership Program, Virginia Treatment Center for Children, Richmond, Nov 1141-1142

Significant Achievement Award: Providing leadership and building partnerships to serve patients with serious mental illness—the public-sector division, department of psychiatry, University of Massachusetts Medical Center, Worcester, Nov 1136-1137

Significant Achievement Award: A psychosocial rehabilitation program with training in microfilming techniques for persons with persistent psychiatric illness—Nassau Day Training Program of Hillside Hospital, division of Long Island Jewish Medical Center, Hicksville, New York, Nov 1139-1140

Winner of APA Gold Award celebrates 20th year; program pairs sixth-graders with elderly veterans, Sept 948-949

Acquired immune deficiency syndrome (AIDS)

AIDS and victims of sexual assault (nursing update), May 447-448

Assessment of risk behaviors for HIV infection among psychiatric inpatients, May 482-485

A group approach to psychosocial issues faced by HIV-positive women, Sept 891-894

Highlights of the 43rd Institute on Hospital and Community Psychiatry (special report), Jan 16-22

HIV-1 in inpatients (letter), Feb 181-182

Interpersonal psychotherapy of depressed HIV-positive outpatients, Sept 885-890

Knowledge about and risk factors for AIDS in a day hospital population, July 734-735

A leader in Canada's response to the AIDS crisis, Nov 1140-1141

Management and residential placement problems of patients with HIV-related cognitive impairment, Jan 32-37

Recent developments in understanding and treating drug abuse and dependence, Mar 223-236

Schizophrenia and AIDS (letter), Feb 181

Seroprevalence of HIV and risk factors for AIDS in psychiatric inpatients, July 736-737

Adolescents. See Child psychiatry, adolescent psychiatry

Affective disorders

Augmenting fluoxetine with dextroamphetamine to treat refractory depression, Mar 281-282

Consensus panel calls for vigorous treatment of depression in elderly, Oct 1049-1050

Do-not-resuscitate orders for depressed psychiatric inpatients, Sept 915-919

Drug treatment in depression (letter), Jan 83-84

Family planning for women with bipolar disorder, May 479-482

Interpersonal psychotherapy of depressed HIV-positive outpatients, Sept 885-890

Multiple personality disorder presenting as postpartum depression (unusual case report), Dec 1241-1243

NMHA survey finds many Americans are poorly informed about depression, slow to seek help, Mar 292-293

Parallel treatment: therapy with one clinician and medication with another (treatment planning), Aug 778-780

Psychotic depression: advances in conceptualization and treatment, Dec 1189-1198

Reducing disability in mood disorders and schizophrenia (open forum), Feb 179-180

Religious affiliation and major depression, Dec 1204-1208

Sertraline: a new serotonergic antidepressant (psychopharmacology), July 671-672

Aftercare

Effect of case management on rehospitalization and utilization of ambulatory care services, Sept 895-899

Management of early postdischarge adjustment reactions following psychiatric hospitalization, Oct 1000-1004

Use of aftercare services by children and adolescents discharged from a state hospital, Sept 932-934

Aggression. See Violence, aggression

Alcohol abuse, treatment. Also see Comorbidity
Addiction psychiatry: challenges for a new psychiatric subspecialty (alcohol & drug abuse), Nov 1067-1068,1072
Age-related psychiatric comorbidities and level of functioning in alcoholic veterans seeking outpatient treatment, Oct 990-995
Alcoholism in older persons: a review of the literature, Oct 975-984
Brain disorders cost \$401 billion in 1991, study for Brain Research Foundation shows, July 751-752
Comorbid mental disorders in patients with AMA discharges from alcoholism treatment, July 730-731
Detection of alcoholism among burn patients, Mar 255-256
Drug, alcohol patients highly satisfied with private hospital care, Feb 192
Outcomes and costs of two VA inpatient treatment programs for older alcoholic patients, Oct 985-989
Posttraumatic stress symptoms among soldiers exposed to combat in the Persian Gulf, Aug 831-833
A profile of problem drinkers in public mental health services, Mar 245-250
Recognition of alcohol abuse in psychiatric outpatients and its effect on treatment, June 644-646
Response to day hospital treatment by patients with cocaine and alcohol dependence, Sept 930-932

Alzheimer's disease

A single-case-study method for treating resistiveness in patients with Alzheimer's disease, July 720-724

American Psychiatric Association

APA board approves new guidelines for hospital admissions, Nov 1156
APA report summarizes recent developments in prevention and treatment of tardive dyskinesia, Apr 413-414
APA task force asserts that homeless mentally ill persons have fundamental right to treatment, May 522
APA task force report addresses treatment needs of the homeless mentally ill population, May 455
Awards presented to more than 40 individuals, organizations during 145th APA annual meeting, June 654-656. Also see Correction (Judge David L Bazelon), July 672
John McIntyre wins president-elect post in APA vote; Joseph English assumes presidency, May 524

Antidepressive agents

Augmenting fluoxetine with dextroamphetamine to treat refractory depression, Mar 281-282
Drug treatment in depression (letter), Jan 83-84
Obsessive-compulsive disorder, July 689-699
Psychotic depression: advances in conceptualization and treatment, Dec 1189-1198
Sertraline: a new serotonergic antidepressant (psychopharmacology), July 671-672

Anxiety disorders

NIH issues report by consensus panel on panic disorder, Aug 853
NIMH launches three-year educational campaign focused on symptoms, treatment of panic disorder, Jan 87
Obsessive-compulsive disorder, July 689-699
Therapy for an anxious patient who believes his symptoms are caused by a medical problem (treatment planning), June 583-585
Use of a structured interview to diagnose anxiety disorders in a minority population, Jan 61-64

Architecture, design

Improving psychiatric environments through minimal architectural change, Sept 920-923

Assaults. See Violence, aggression

Attitude. Also see Public opinion

Family attitudes that predict home placement of hospitalized psychiatric patients, Oct 1035-1037
State hospital patients' views about Operation Desert Storm, Aug 833-835

Audiovisuals. See Reviews, audiovisuals

Behavior therapy

Decreasing excessive water drinking by chronic mentally ill forensic patients, May 507-509
Obsessive-compulsive disorder, July 689-699
Use of applied behavior analysis in treating nursing home residents, Feb 171-173

Benzodiazepines

Controlling prescription of benzodiazepines (law & psychiatry), Jan 12-13
An empirical review of the impact of tripli-cate prescription of benzodiazepines, Apr 382-385

Book reviews. See Reviews, books

Burns

Detection of alcoholism among burn patients, Mar 255-256

Calendar

Calendar of mental health activities, Jan 23, Feb 119-120, Mar 220-221, Apr 316, 340, May 431,451, June 580,589, July 685-686, Aug 770,850, Sept 874-875, Oct 972, Nov 1079-1080, Dec 1176,1187

Canada, health policy

More lessons, of a different kind: Canadian mental health policy in comparative perspective, Nov 1083-1090

Case management. See Managed care programs; and Patient care planning, management

Certification

Addiction psychiatry: challenges for a new psychiatric subspecialty (alcohol & drug abuse), Nov 1067-1068,1072

Child psychiatry, adolescent psychiatry

Building systems of care for youth with serious mental illness, June 630-633
Development of an innovative child and youth mental health training and services delivery project, Apr 375-379
Drug use by adolescents fell in 1991 but overall drop in drug use slows; emergency episodes climb, Oct 1049
Emergency evaluation of adolescents, June 617-621

Exploring the relationship between a continuum of care and intrusiveness of children's mental health services, Jan 44-48
Family therapy in the treatment of adolescents, June 625-629

Fear-based advertising and the increase in psychiatric hospitalization of adolescents, Oct 1038-1039

A home-based family intervention program, Apr 395-397

The impact of divorce on adolescents, June 634-637

The impact of public policy on services for adolescents (open forum), June 637-639
Interactions between parents and pediatric primary care physicians about children's mental health, May 489-493

Management of the assaultive adolescent, June 622-624

A national survey on the use of seclusion in the psychiatric treatment of children, Apr 370-374

Patterns of utilization of outpatient mental health services by children and adolescents, Dec 1218-1223

A perspective on the attention-deficit disorders (DSM-IV in progress), May 445-446,448

Predicting hospital adjustment by adolescent inpatients, Jan 49-53

Providing mental health care for children and adolescents (taking issue), Dec 1169

Promoting community-based care for children and adolescents, Nov 1141-1142

Psychosocial background and behavioral and emotional disorders of homeless and runaway youth, Feb 155-159

Research must guide services for children and adolescents (taking issue), Oct 961

A scale to measure restrictiveness of living environments for troubled children and youths, Jan 54-58

A short-term psychiatric inpatient program for adolescents, Jan 58-61. Also see Correction (academic title and zip code), Mar 254

Short-term residential treatment for children (ideas), Mar 303

Treatment and services for adolescents: an introduction, June 616

Use of aftercare services by children and adolescents discharged from a state hospital, Sept 932-934

Variables associated with length of psychiatric hospitalization of children during the 1980s, Apr 390-391. Also see Long-term beds for children? (letter, reply), Oct 1043-1044

Child welfare

Advocacy groups launch children's SSI campaign to locate disabled children eligible for benefits, June 656

Chronic patients. Also see Comorbidity; and Schizophrenia

California's new State-Local Program Re-alignment Act: an experiment in financing care, Nov 1143-1145

Capitation from a provider's perspective (economic grand rounds), Dec 1173-1175

Case management, quality of life, and satisfaction with services of long-term psychiatric patients, Aug 799-802

Case management revisited (the chronic patient), Mar 209-210

"The chronic patient": in search of a title (the chronic patient), Sept 867-868

Clinical factors associated with better quality of life in a seriously mentally ill population, Aug 794-798

A consumer-operated case management project (the chronic patient), June 577-579

Countertransference and clinical choices in public-sector treatment of a patient and her family, Sept 924-927

Decreasing excessive water drinking by chronic mentally ill forensic patients, May 507-509

Determining suitability of placement for long-stay psychiatric inpatients, July 709-712

Developing family planning services for female chronic mentally ill outpatients, May 475-478

Differences between chronic schizophrenic patients in the hospital and in the community, Dec 1233-1238

Expressed emotion: conceptual, clinical, and social policy issues, June 591-598

Factors related to emergency commitment of chronic mentally ill patients who are substance abusers, Mar 237-241

Frequent-user subgroups (letter), Jan 83

High needs and low priority of mentally ill residents of adult homes, May 486-488

Highlights of the 43rd Institute on Hospital and Community Psychiatry (special report), Jan 16-22

Indicators of adverse somatic outcome in three Veterans Affairs nursing homes, Dec 1223-1226

Involvement in productive activities and satisfaction with living situation among severely mentally disabled adults, Sept 899-903

Is it time for a moratorium on deinstitutionalization? (taking issue), July 669. Also see Deinstitutionalization (letter), Oct 1044

Predicting need for long-term hospitalization of severely mentally ill young adults, Dec 1239-1241

Prenatal care for pregnant chronic mentally ill patients, Sept 942-943

Providing leadership and building partnerships to serve patients with serious mental illness, Nov 1136-1137

A psychosocial rehabilitation program with training in microfilming techniques for persons with persistent psychiatric illness, Nov 1139-1140

Reducing disability in mood disorders and schizophrenia (open forum), Feb 179-180

Rehabilitation and quality of life (the chronic patient), Dec 1180-1181

A report on the "worst" state hospital recidivists in the US, Sept 904-908

A social day center for adults recovering from serious mental illness, Nov 1130-1133

Substance use disorders in a sample of Canadian patients with chronic mental illness, Mar 251-256

Therapeutic foster care for elderly patients (ideas), May 535

Treatment-resistant chronic mental illness: is it Asperger's syndrome? Aug 807-811

A typology of difficult patients with long-term stays on a secure ward in Japan, Oct 1030-1032

Unavoidable tragedies in Madison, Wisconsin: a third view (open forum), Jan 72-73. Also see The tragedies in Madison (letters, reply), Apr 401-406

A voucher system that enables persons with severe mental illness to purchase community support services, Nov 1109-1113

Clozapine

Clinical review of clozapine treatment in a state hospital, July 700-703

Clozapine refusal (letter), Jan 85

A clozapine treatment program for patients living in the community, Sept 909-911

The real cost of clozapine: a patient buys freedom, Feb 177-178

Sandoz and Caremark agree to pay \$10 million clozapine settlement, Nov 1154-1155

Cocaine. Also see Substance abuse, treatment. Neuropsychiatric disorders associated with cocaine use (emergency psychiatry), July 677-678, 680

Predicting cocaine use among methadone patients: analysis of findings from a national study, June 608-611. Also see Methadone and cocaine (letter, reply), Dec 1245-1246

Response to day hospital treatment by patients with cocaine and alcohol dependence, Sept 930-932

Cognitive disorders

Day treatment for patients with cognitive deficits (ideas), Mar 303

Management and residential placement problems of patients with HIV-related cognitive impairment, Jan 32-37

Combat disorders

Classification and characteristics of Army stress casualties during Operation Desert Storm, Aug 812-816

Clinical presentation of PTSD in World War II combat veterans, Aug 816-820

Combat stress, psychosocial adjustment, and service use among homeless Vietnam veterans, Feb 145-149

Effectiveness of a stress recovery unit during the Persian Gulf War, Aug 829-831

Posttraumatic stress symptoms among soldiers exposed to combat in the Persian Gulf, Aug 831-833

Psychiatric lessons from the Persian Gulf War (taking issue), Aug 769

Commitment, involuntary

Are pretrial commitments for forensic evaluation used to control nuisance behavior? June 603-607

Clinical review panels versus court hearings in treatment refusal by involuntary patients, Oct 1033-1035

Factors related to emergency commitment of chronic mentally ill patients who are substance abusers, Mar 237-241

Length of hospitalization and outcome of commitment and recommitment hearings, Jan 65-68

Perspectives on effective advocacy for homeless mentally ill persons, Dec 1209-1212

Unavoidable tragedies in Madison, Wisconsin: a third view (open forum), Jan 72-73. Also see The tragedies in Madison (letters, reply), Apr 401-406

An update on involuntary civil commitment to outpatient treatment, Jan 79-81

Community mental health centers

A clozapine treatment program for patients living in the community, Sept 909-911

A collaborative nurse-physician practice model for helping persons with serious mental illness, Aug 842-844

Comprehensive mental health services for a semirural county, Nov 1138-1139

Development of an innovative child and youth mental health training and services delivery project, Apr 375-379

NIMH urged to improve oversight of federally funded CMHCs to ensure appropriate services, Jan 88

Primary health care in the CMHC: a role for the nurse practitioner, July 724-727

Community mental health services

California's new State-Local Program Re-alignment Act: an experiment in financing care, Nov 1143-1145

DC agrees to plan for housing, services in 17-year-old lawsuit, Feb 191-192

Is it time for a moratorium on deinstitutionalization? (taking issue), July 669. Also see Deinstitutionalization (letter), Oct 1044

A model for community practice (occupational therapy update), Sept 869-871

Report says confinement of mentally ill persons in US jails reflects lack of community services, Dec 1253-1254

Unavoidable tragedies in Madison, Wisconsin: a third view (open forum), Jan 72-73. Also see The tragedies in Madison (letters, reply), Apr 401-406

A voucher system that enables persons with severe mental illness to purchase community support services, Nov 1109-1113

Comorbidity

Age-related psychiatric comorbidities and level of functioning in alcoholic veterans seeking outpatient treatment, Oct 990-995

Comorbid mental disorders in patients with AMA discharges from alcoholism treatment, July 730-731

A day hospital program for dual diagnosis patients in a VA medical center, Mar 241-244

Dissociative comorbidity in 100 chemically dependent patients, Aug 840-842

Factors related to emergency commitment of chronic mentally ill patients who are substance abusers, Mar 237-241

Group training for work with dual diagnosis clients (ideas), May 535

Homeless adults without apparent medical and psychiatric impairment: onset of morbidity over time, Oct 1017-1023

Mental retardation and psychiatric illness, May 494-499

The myth of the typical dual diagnosis patient (alcohol & drug abuse), Feb 107-108

A profile of problem drinkers in public mental health services, Mar 245-250

Rational physical evaluation in the emergency room (emergency psychiatry), Apr 311-312

Recent developments in understanding and treating drug abuse and dependence, Mar 223-236

Substance use disorders in a sample of Canadian patients with chronic mental illness, Mar 251-256

Training psychiatric residents in the diagnosis and treatment of mental illness in mentally retarded persons, May 500-503

Computers

Computer linkage of psychiatric emergency rooms, Apr 397-399. Also see Correction (author omitted), May 488

A survey of university-prison collaboration and computerized tracking systems in prisons, July 713-716

Confidentiality

Confidentiality and the family as caregiver, Feb 136-139

Consensus development conference

Consensus panel calls for vigorous treatment of depression in elderly, Oct 1049-1050

NIH issues report by consensus panel on panic disorder, Aug 853

Consultation-liaison psychiatry

A cost-effective model of consultation-liaison psychiatry (economic grand rounds), Apr 330-332. Also see Consultation-liaison models (letter, reply), Sept 943-944

Psychiatric evaluations in a rehabilitation hospital (ideas), Mar 303

Reasons for refusal of medical treatment by patients seen by a consultation-liaison service, Mar 278-279

Consumer participation

A consumer-operated case management project (the chronic patient), June 577-579

The selling of clinical psychiatry in America (economic grand rounds), Feb 102-104. Also see Dr Pinheiro's views (letters, reply), July 743-744; for reply, see Correction (author's first name), Aug 811

Corrections

For Awards presented to more than 140 individuals, organizations during 145th APA annual meeting, June 654-656, see Correction (Judge David L Bazelon), July 672

For Dr Pinheiro's views (reply), July 744, see Correction (author's first name), Aug 811

For Gold IM, Heller C, Ritoro B, A short-term psychiatric inpatient program for adolescents, Jan 58-61, see Correction (academic title and zip code), Mar 254

For Krajewski TF, Bell C, A system for patients' rights advocacy in state psychiatric inpatient facilities in Maryland, Feb 127-131, see Correction (author's affiliation), Apr 369

For Livingston JA, Srebnik D, States' strategies for promoting supported housing for persons with psychiatric disabilities, Nov 1991:1116-1119, see Correction (author's name), Jan 43

For Mark M, Rabinowitz J, Kindler S, Rabinowitz S, Munitz H, Bleich A, A system for improving psychiatric record keeping, Nov 1991:1163-1166, see Correction (table), Feb 104

For Salomon I, Kennedy R, Computer linkage of psychiatric emergency rooms, Apr 397-399, see Correction (omission of third author, McKegney FP), May 488

Crisis intervention

Emergency evaluation of adolescents, June 617-621

A mobile crisis program: collaboration between emergency psychiatric services and police, June 612-615

The practice of emergency psychiatry in rural areas (emergency psychiatry), Oct 965-966

Cross-cultural issues

Classification of amok in DSM-IV, Aug 789-793

Cultural influences in psychotherapy with refugee survivors of torture and trauma, Aug 820-824

Psychiatric morbidity in developing countries and American psychiatry's role in international health, Apr 355-360

Psychiatry in Zimbabwe (letter, reply), May 515

Day treatment. See Partial hospitalization

Deinstitutionalization

Determining suitability of placement for long-stay psychiatric inpatients, July 709-712

Is it time for a moratorium on deinstitutionalization? (taking issue), July 669. Also see Deinstitutionalization (letter), Oct 1044

Mortality among elderly patients discharged from a state hospital, Mar 280-281

What we know about homelessness among mentally ill persons: an analytical review and commentary, May 453-464

Delirium

Using intravenous haloperidol to control delirium (psychopharmacology), Mar 215

Delivery of health care. See Service delivery systems

Depression. See Affective disorders

Developmental disorders. Also see Mental retardation

Treatment-resistant chronic mental illness: is it Asperger's syndrome? Aug 807-811

Diagnosis. See Comorbidity

Accuracy of diagnoses of schizophrenia in Medicaid claims, Jan 69-71

Antisocial personality disorder (DSM-IV in progress), Jan 6-8

An axis VI for DSM-IV? (letter), Mar 286

Classification of amok in DSM-IV, Aug 789-793
